Ministering at a Detention Center

2019

Margarita and I conducted the GHN Conference at an immigration detention center from Sep. 2 to 6. The former GHN graduates, Press and Gena Barnhill, Michelle Jolly and David Tunnicliffe came and assisted me in teaching the GHN courses. We had to conduct the conference in Spanish and English PowerPoint presentations because most detainees were from Central and South American countries. 67 detainees from 15 different countries signed up for the conference and 64 of them gave their lives to Christ during the first 45 minutes of the first lesson "How to walk in God's kingdom authority and power." During the whole week of the conference, over 20 detainees were miraculously healed of various kinds of infirmities and most of them were baptized with the Holy Spirit. One young man from El Salvador told us that the drug dealers asked his father to surrender his land for the purpose of producing cocaine. As he refused their demands, they killed his father, brother and he was hit by over eight bullets, yet he miraculously survived. He walked from El Salvador to America on foot. I taught them that wherever God wanted them to live would be the safest place on earth. As they obey and go to their God ordained destiny, His divine purpose of creating them will be revealed. The same young man from El Salvador came to us after that session and said, "In the past, I was afraid of going back to my country. But if God will deport me back to my country, I will go back and evangelize my people to Christ." Another young man from Guatemala said to us, "I am a believer in Christ and I have been asking Him to deport me back to my country for nine months. Somehow, I haven't been released to be deported. Last night, God told me that I had to go through the GHN Conference before He would release me. Now, I understood why I wasn't able to be deported sooner. Today (Friday) is the last session and I just received the notice that I will be deported on Monday. Praise the Lord! When I go home, I will start His ministry in my city." Another young man from Honduras gave a note to Margarita that he wanted to kill himself because he didn't have any more hope for his life. We prayed for him the following morning and the Holy Spirit powerfully touched him for over 20 minutes. After his encounter with the Lord, he was totally transformed by the power of God and he said to us, "I am delivered from the spirit of suicide and I was filled with His joy and life yesterday and now I will serve the Lord wherever He chooses me to go." Jesus Christ said in Matthew 25:40b, "I say to you, inasmuch as you did it to one of the least of these My brethren, you did it to Me."

The GHN Conference at the center

64 of 67 detainees surrendered their lives to Jesus Christ!

The Power of the Holy Spirit touched many of detainees and set them free.

## Ministering at All Peoples Church

It was my great joy to minister at All Peoples Church (APC) on Sep. 4th and 7th. God has been moving through APC to impact Lynchburg with His divine grace, mercy, authority and power. Many new people came and joined the church and were set free from their bondages of darkness. Pastor Jeff Crawford and his apostolic team have been listening and obeying the guidance of the Holy Spirit to build a kingdom church. During the two services, the Holy Spirit came and healed, empowered and filled the body of Christ to do the work of Christ in their own Jerusalem to the end of the earth for His glory.

## Ministering at Living Faith Christian Fellowship

On September 15th, I had the honor to minister at Living Faith Christian Fellowship. Pastor Ric Pangan traveled with me to minister in Costa Rica and India in the past. He will go to Singapore and Myanmar to teach the GHN courses with me to selected leaders on Oct. 8 to 19. During the altar call, the Holy Spirit moved in His divine power to impart unto them how to live from heaven to earth according to Matthew 6:10, "*Your kingdom come. Your will be done on earth as it is in heaven.*"

RLM Home Discipleship Meeting

By the support of faithful monthly donors, we are able to minister in the U. S. as well as in the world for His glory. In order for Jesus Christ to come back, we, the Church must do our part in contributing to the effort of making the Great Commission to become the Great Completion in this generation. Pray for our next trip to Singapore and Myanmar to train indigenous leaders to become the Missions Mobilizers to evangelize their own unreached people groups through the GHN Conference. Blessings!
