Ministering at Living Faith Christian Fellowship

It was my great joy to minister at Living Faith Christian Fellowship which is a Filipino church in Virginia Beach on Feb. 18th. Pastor Mario and several church

members had attended the Global Harvest Network (GHN) Conference last year. As I shared the gospel and the power of Christ to them, 15 young people gave their lives

to Christ and many others were healed and touched by the power of the Holy Spirit. One lady who had injured her wrist and elbow was healed.

Reaching the Unreached People Groups in the 10/40 Window Countries

I attended a conference in Europe to make contact with leaders from Central Asia to share the GHN seminar in Feb.

God opened a door for me to equip GHN Missions Mobilizers in Central Asia in the future to evangelize the Unreached.

Over 6,500 Unreached People Groups (UPGs) are residing in the 10/40 Window countries. We have been praying and asking the Lord to open doors for us to train indigenous Missions Mobilizers who can, in turn, evangelize their own UPGs within Hindu, Buddhist and Islamic world. During the conference that I attended, I was able to make several contacts to bring the GHN Seminar into the 10/40 Window countries in the future. The harvest is plentiful, but the workers are few... Therefore, GHN is committed to raise indigenous workers for the harvest.

Praying for healing and deliverance

She had been suffering with the PTSD of many sexual abuses and tortures throughout her life time. During the Sat. night revival meeting, the power of God set her free as I prayed for her. We give all the glory to the Lord!

His neck, shoulder and back pains were totally healed

After prayer, an active duty Army soldier's knee was totally healed and he took his brace off.

He had a severe knee pain and wasn't able to walk freely. After praying for four times, his knee was totally healed.

It was my great honor to lead the revival meetings at Bethel Christian Center in Durham, NC from March 2 to 4. The Senior Pastor Don Westbrook has been one of the Board members of "The Fellowship" which I am also a member. Pastor Don and his wife Carol had graciously invited me and Margarita to conduct three day revival meetings as well as to introduce one of the GHN seminar course "The Kingdom Authority and Power for World Missions" to the congregation. During the altar calls, the Holy Spirit moved with His mighty power to heal and deliver many people at the church. I give all the glory to the Lord.

Please pray for the GHN team who will be equipping indigenous Missions Mobilizers who have been working among the UPGs in Central Asia in March. As you sow into the RLM each month, you are going with us to train multitudes of indigenous GHN Missions Mobilizers to evangelize the UPGs in the 10/40 Window Countries. May God richly bless you as you sow into RLM!
