## GLOBAL HARVEST NETWORK (GHN)

**Focusing on mobilizing indigenous missionaries from the Hindu, Buddhist, Islam and Animistic world to be engaged in evangelizing their own Unreached People Groups in countries within the 10/40 Window.**

**GHN is dedicated to make the Great Commission become the Great Completion to fulfill Matthew 24:14 in this generation.** GHN's goal is to mobilize and train 3,000 indigenous Missions Mobilizers (MMs: including 300 U.S. GHN MMs) to evangelize, make disciples and plant churches among the Unreached People Groups (UPGs) in the world. The certified U.S. GHN team of four to six will be dispatched for 10 days a year to a selected city of a nation to train and mobilize indigenous missionaries to engage in bringing the closure to the Great Commission among 6,500 plus UPGs in the world.

**What you will be trained during the next GHN Conference in Virginia Beach:**

1. You will learn to move in God's kingdom authority and power to win souls, to know how to heal the sick and to deliver anyone from demonic oppressions.
2. You will be equipped to do spiritual warfare totally depending on God's power and anointing.
3. You will be trained to move and live by the power of the Holy Spirit as you enjoy having Koinonia with Him 24/7.
5. You will learn how to live in God's divine health and provision.
6. You will be equipped to train other GHN candidates in the U.S. and indigenous GHN MMs in the world (only 10 days per year).

**We will also be conducting the GHN Conference at an Immigration detention center for international inmates on Oct. 2-6. Due to security reasons, Dr. Lee's trips to Kyrgyzstan and East Asia had been canceled in Sep. and Oct. Please pray that God will open many new nations to conduct GHN Conferences in the near future. Your constant prayers and faithful sowing into RLM will empower us to mobilize 3,000 indigenous MMs.**
