Dr. Lee was invited by Senior Pastor Morris Sowah to conduct revival meetings, to share about the Global Harvest Network and to minister at Pastor Bill Hoerr's third year of his home going memorial service on March 3-5. Pastor Hoerr was a wonderful spiritual father to Dr. Lee and the founder of Abundant Love Christian Center in Dayton, OH that has been supporting RLM for many years. When Dr. Lee shared the vision of the Global Harvest Network (GHN) with the congregation, several people expressed their desire to take part in the GHN Conference on April 20-23 in Virginia Beach. He also ministered to them on "How to live victorious life in Christ!" During the altar calls, several people received God's divine healing, many others received the impartation of Kingdom authority and power and one Muslim lady gave her life to Jesus Christ. Several policemen who had been mentored by Pastor Hoerr came to share and honor his legacy.

Ms. Mary Beavers has been suffering with her chronic back pain for several months. After praying, she was totally healed.

A Muslim lady gave her life to Jesus Christ after she experienced God's incredible power and love flowing all over her.

Pastor Morris Sowah was also one of Pastor Hoerr's spiritual sons. For over 10 years, Morris supported Papa Hoerr's ministry and he became the new Senior Pastor.

Dr. Lee had a chance to speak at the Hamptonroads BelieversBiz--Christian business men and women's weekly gathering at Green Turtle, Chesapeake on March 22nd. He shared a message called "We are God's coworkers!" and invited them to consider participating in the GHN Conference in April.

There are still 6,738 Unreached People Groups in the world. 46,000 people among them die every day without having a chance to hear the gospel of Jesus Christ once in their lives. *How can they hear the gospel of Jesus Christ?*

Revelation 7:9, "After these things I looked, and behold, a great multitude which no one could number, of all nations, tribes, peoples, and tongues, standing before the throne and before the Lamb, clothed with white robes, with palm branches in their hands."

Matthew 24:14, "And this gospel of the kingdom will be preached in all the world as a witness to all the nations (*ethne: all the people groups*), and then the end will come."

How can we make the Great Commission to become the Great Completion in our Generation?

300 million people entered into the kingdom of God for the past 10 years. However, only 10 million were from the Western countries and 290 millions were from Asia, Africa, Middle Eastern countries and Central and South American countries.

If we follow the traditional model of sending Western long-term missionaries to finish the task, it can not be done in our generation. But if we massively mobilize indigenous missionaries from Asia, Africa, Middle East and Central and South America and empower them to finish the task, it can be done in our generation. The majority of the Western mission forces must become short-term Missions Mobilizers to equip and train indigenous Missions Mobilizers among converted Hindu, Buddhist and Muslim countries to be engaged in evangelizing their own Unreached People Groups.
