River of Life Flowed into Living Hope Church in Seminole, FL

It was my great joy to conduct condensed Global Harvest Network seminars at Living Hope Church from January 19 to 22. I taught “*Kingdom Authority and Power for World Missions*,” “*Koinonia with the Holy Spirit*,” “*Kingdom Culture*,” “*It is Written*” and “*Living in God’s Divine Health*.” During impartation prayer times, the Holy Spirit moved in His power and healed several people who had been suffering with various kinds of illnesses for some time. The participants also received God’s impartation to move in His signs, wonders and miracles. On Sunday afternoon, 11 church members with Margarita and I went out and led four people to the Lord and prayed for Mike who had been suffering with cancer. Approximately 12 participants will take part in the upcoming Global Harvest Network Conference in Virginia Beach on April 20-23.

She was healed of her back pain

He was healed of his neck pain and he was able to move his neck freely.

It was my pleasure to minister a condensed version of GHN seminar teachings to the congregation of All Peoples Church. During the altar calls, many people received the impartation of the Holy Spirit and several people received His divine healings. A young man's deaf left ear was opened and Founding Pastor Bud Crawford received healing on his big toes that he wasn't able to feel them for two years. Senior Pastor Jeff Crawford decided to bring several leaders of the church to take part in the upcoming Global Harvest Network Conference that will be held in Virginia Beach on April 20 to 23. In the future, we will go to the nations.

*God has been opening more American church doors for me to introduce "Global Harvest Network (GHN) seminars" to equip additional U.S. Missions Mobilizers (MMs). We would like to train a total of 300 U.S. GHN MMs in the near future so that the certified U.S. MMs can raise 2,700 other indigenous MMs by the end of 2018. Once anyone is trained and certified to become a GHN trainer, then he/she only needs to commit 10 days per year to travel with other GHN missions team members to raise indigenous GHN MMs in nine regions of the world. **The next GHN Conference will be held at Landstown Community Church in Virginia Beach from April 20 to 23. If you are interested in becoming a GHN certified trainer, then you can go to the RLM website (www.rlmva.org) to register.***
