“The Changing Global Religious Landscape”

PEW RESEARCH CENTER

Global Harvest Network (GHN)

GOAL:

- Mobilizing 300 MMs in the U.S. and 300 each in 9 regions of the world (total 3,000).
- Multiplying indigenous MMs from 3,000 to 30,000, to 300,000, and to 3,000,000 for the next 10 years.
- Mobilizing indigenous MMs to evangelize as many UPGs as they can throughout the 10/40 Window countries.

GHN's Strategy:

Mobilizing and training converted Muslims, Hindus and Buddhists with GHN equipping courses and sending them back to evangelize their own UPGs in Islamic, Hindu and Buddhist worlds.

Commit 10 days a year to travel with GHN to train indigenous MMs in the world to make the Great Commission to become the Great Completion in this generation!

According to the above statistics by Pew Research Center, [there are 2.3 billion Christians in the world as the largest religious group](#). There are also 37 million churches in the world with [34,000 Christian denominations \(www.quora.com\)](#). How many Unreached People Groups are left to be evangelized in the world? [There are 6,992 Unreached People Groups \(UPGs\) in the world \(www.joshuaproject.net\)](#) with approximately 3.2 billion people. That means, there are more than enough Christians and churches to make the Great Commission to become the Great Completion in this generation. However, the real issue of why the rest of the UPGs are not evangelized yet rests on the fact that 37 million churches are not strategically sending laborers (final harvesters) into God's harvest fields among the 6,992 UPGs. In order to finish the above task, we need to mobilize massive indigenous Missions Mobilizers (MMs) to be engaged in evangelizing the UPGs in the world.

Therefore, River of Life Ministries created the Global Harvest Network (GHN) to first mobilize 300 U.S. GHN MMs who, in turn, will raise 300 each indigenous MMs in nine different regions of the world by the end of 2018--a total of 3,000 MMs. Once we have raised 3,000 MMs, then each of the MMs must train 10 additional indigenous MMs the following year resulting in the total of 30,000 MMs--eventually our goal is to multiply and equip 3 million indigenous MMs to be massively engaged in evangelizing the rest of the 6,992 UPGs in the 10/40 Window countries for the next 10 years. Once 300 U.S. GHN MMs have been trained and certified as GHN trainers, then they only need to commit 10 days per year to go to one of the nine regions to train and mobilize 300 additional indigenous MMs to fulfill Matthew 24:14 in this generation: ***“And this gospel of the kingdom will be preached in all the world as a witness to all the nations [ethne: every ethnic people group], and then the end will come”*** When the last UPG hears the gospel, then Jesus Christ will come back!

Come and be trained to become one of the GHN Missions Mobilizers

Currently, we have raised more than 100 U. S. GHN MMs from Hampton Roads, VA; Lynchburg, VA; St. Petersburg, FL; Dayton, OH. Also we have conducted GHN Trainings in Bulgaria, China, Colombia, Costa Rica, Nigeria and Ukraine. These national and indigenous GHN equipped trainers have been mobilizing other indigenous MMs within their own regions. In order to expand the GHN operations into nine other regions in the world, we need your prayers and monthly financial support. As you sow into RLM, you are going with us to equip multitudes of GHN MMs in the world for His glory!
