2017

## Global Harvest Network (GHN) Conference in Virginia Beach

The fourth GHN Conference was held at Landstown Community Church in Virginia Beach from April 20 to 23. Nine people came from Living Hope Community Church in St. Petersburg, FL and nine others came from All Peoples Church in Lynchburg, VA, one from Dayton, OH, the rest came from Newport News, VA and other Hampton Roads areas. During the conference, the Spirit of the Lord moved in His divine power to heal, deliver, impart and empower the participants to engage in impacting their own Jerusalem to the end of the earth with the kingdom authority and power. One of the participants is also the warden at a detention center and he invited me to conduct the next GHN Conference at the center to equip Christian inmates who will be deported to their own countries in the near future as God ordained GHN Missions Mobilizers on June 1-6. After the conference, Naveen called Dr. Lee and told him that he was totally healed of his epileptic seizure problem.

## Dr. Lee Ministering at Regent University Chapel

Dr. Lee shared about the call of Jeremiah and challenged students to discover their creation mandates to fulfill their calls in their lives.

## Dr. Lee Ministering at Lisburn City Church in Northern Ireland

It was Dr. Lee's great honor and privilege to minister at Lisburn City Church in Northern Ireland on April 9th. While Dr. Lee was teaching in China in October 2015, he had a dream that a European young lady was asking him to come and minister in Ireland, Denmark, Norway, Sweden, Finland, Estonia, Latvia and Lithuania. Since then, he received the dream as God's Macedonian call to Scandinavian countries and has been asking the Lord to open doors for him to minister in these countries. God supernaturally opened a door to minister in Northern Ireland--the gateway country to Europe. Pastors Brian and Mary Agnew were so hospitable to host Margarita and Dr. Lee in their lovely home and on Sunday morning of April 9th, he shared the Global Harvest Network's vision to also equip European Missions Mobilizers (MMs) to train indigenous MMs in the world. Pastor Brian wants to bring his affiliated Indian pastor to take part in the next GHN Conference in the U.S. Dr. Lee and Margarita also traveled throughout Northern and Southern Ireland and prayed over the whole country so God's revival fire would fall again in Ireland in the near future for His glory. Ireland is one of the most beautiful countries in the world!

7 people gave their lives to Christ

With Pastors Brian and Mary Agnew

Several people were healed and others received the impartation of the Holy Spirit

**Dr. Lee's Corner:** It was a very productive, busy and adventurous month in April. Margarita and I arrived in Dublin on April 4th and I rented a diesel car to drive on a left hand side of the road with numerous roundabouts. We have decided to travel from Dublin to the West coast, and to Derry, the tip of Northern Ireland, and to Lisburn City, and to Limerick, and to Cork and back to Dublin. As we traveled throughout Ireland, the Lord commissioned us to pray for His revival fire to fall again in Ireland. It was also a very special trip for me because I celebrated my 40th spiritual birthday in Limerick and as my 100th country to visit and minister. Margarita and I prayed that God would ignite His revival fire on Pastor Agnew's Lisburn City Church in the near future. We also asked the Lord to allow us to conduct the GHN Conference to raise Irish GHN MMs who could re-evangelize Western European countries and to equip indigenous MMs in the world. Psalm 2:8 states, *"Ask of Me, and I will give You the nations for your inheritance, and the ends of the earth for your possession."* According to the instruction in

Psalm 2:8, I am asking the Lord to give me Ireland so that I can do my part of mobilizing Irish GHN MMs to transform Europe and the Unreached People Groups in the world for His glory, A-Men.

Please pray for our upcoming ministries:

- May 12 - 28: I will be finalizing my new book, "It is Written!"
- June 1 - 6: GHN Conference in a detention center in Eastern Virginia.
- June 8 - 17: Mission trip to introduce GHN in Colombia
- July 6 - 25: GHN Conference and youth revival in Ternopil, Ukraine

**Your faithful monthly support of RLM will empower us to equip indigenous GHN MMs to evangelize the Unreached People Groups in the world. May God abundantly reward you with His promises in Luke 6:38, as you sow into RLM to fulfill Matt. 24:14 in this generation for His glory!**
